As this pandemic continues, we encourage you to remain positive and follow the safety guidelines set forth by your local public health and elected officials. Subject: 4-10 schedule

To all RBTC affiliates , We are all aware of the environment we are currently , so until further notice we are cancelling our RBTC meetings on Mondays . Secondly I have been asked to reach out to all the affiliates and get there opinion on supporting a TEMPORARY waiver to allow the Contractors to utilize a 4-10 hour schedule . This request has come from the NYS AGC , in the hopes to reduce exposer to all the individuals that are on the worksite . The thought is to give our Governor another option other than shutting the whole industry down acrossed the state where no one will be working ! They are looking for our support to take to Albany and the NYS DOL . Please let me know your thoughts , concerns and questions , I will keep you posted . Yours Grant
