December 3, 2020.

Dear brothers and sisters,

Hope all is well with you and yours and you had a very Happy Thanksgiving.

Please remember to not let your guard down and follow the Covid-19 guidelines. Cases are beginning to increase. We have had positive tests come in regarding our own brothers and sisters and their families. We need to remember to follow the social distancing guidelines and wear your mask... STAY SAFE AND HEALTHY!

✚ WE HAVE 90 MEMBERS WILLING TO GO BACK TO WORK AND 21 MEMBERS TRAVELING. PLEASE CALL THE HALL IF YOU ARE OUT OF WORK AND ARE WILLING TO GO TO WORK.

✚ Traveling opportunities have slowed down until after the New Year. Please stay in touch w/Jim to stay informed...

✚ We do not have a union meeting in December.

✚ Depending on the pandemic and the protocols will determine if we have a January 2021 union meeting. If we must cancel, we will have an officers meeting including the conference board on January 26, 2021 starting at 4:30pm. I will keep you posted as time moves forward...

✚ At the February mtg we will have nominations for the upcoming UA Convention which is scheduled for late August 2021. The election will be held at April's mtg. Depending on the pandemic will determine if we have nominations at the February mtg or accept mail in acceptance

letters and or email acceptance letters. As time moves forward, we will determine the protocol...

✚ The Children's Christmas Party is cancelled.

✚ Please call me or Jim if you need a jobsite visit. With Covid-19 ramping up to protect you, your jobsite, your family, and us back at the hall we need to remember to follow our protocols. We need to meet you in an open area to stay at least 6' apart and all must wear a mask...

✚ The Hall is open for appointment if you need to come in and sit down to talk. Please call to make an appointment.

✚ Thank you for understanding and your cooperation.

Politics:

✚ We did very well locally and nationally to help with what we fight for every day... Davis Bacon, Certified Apprenticeship Programs, Organizing and Infrastructure work that in due time will get us all back to work.

✚ Nationally the Biden/Harris administration is bringing on our Union Reps to have a seat at the table regarding infrastructure and building manufacturing facilities in America. I am very hopeful that good things will come for all.

✚ Locally we did outstanding and the people we will be sending to Albany from Rochester I am sure will fight for infrastructure and more opportunities for construction jobs in our jurisdiction.

✚ Please review the election results attached...

Upcoming new projects on the Dodge Reports are listed below... start dates are questionable:

✚ Town of Romulus – New \$600 million power plant. In the approval, planning and design stages. If a go, projected to start in 2022 w/a finish date of 2024.

✚ Monroe Community Hospital – Chiller plant replacement \$6 million. Pending approvals...

✚ City Schools (School mod.Ph.#3) – pending State funding.

✚ Food and Beverage Manufacturing Facility Tech Ag. Park in Geneva - \$15 million – pending on a lease agreement. Another \$25 million in a Master report for a research building and incubator. No schedules set.

✚ Downtown Rochester Riverside Development - Performing Arts Center, High Rise Tower Hotel/Residential Retail. Project on hold. Pending Federal Stimulus/State \$.

Upcoming jobs to bid in our jurisdiction are few and far between at this time. There is a lot of projects coming up with our sister locals. (Buff. Local 22, Syr. And Oswego Local 81, Binghamton Local 112, and the chip plant in Local 773 Glens Falls will be ramping up again after the New Year. This should help with the unemployed if you are willing to travel... Please stay in touch w/myself or Jim on those opportunities. Thank you.

Rochester Building Trades information:

✚ Working on the upcoming Amazon projects to make sure the local labor protocol is followed.

✚ Discussed the Comida Local Labor requirement regarding the Amazon projects w/ County Exec. Adam Bello. We are having a follow up meeting w/A. Bello next week to see where we stand in making sure the local labor requirements are followed...

✚ The Amazon project is out for bid and is projected to start in mid-January.

✚ Discussed the upcoming \$140 million U/R orthopedic center going up at the old Sears Store at Market Place Mall. Waiting on awards. Projected to have boots on the ground in late January.

✚ Continuing discussion w/City council regarding a new police barracks for downtown Rochester.

✚ Work is slowing up for all the RBT. Spring of 2021 is very promising to get our members all back to work.

Retirees:

✚ Hope all is well with you and yours. You are missed by all.

✚ Please let us know if you need anything...

Hopefully sometime in 2021 we will be able to get back to normalcy and hold your monthly lunch get together.
